2. LGBT SU Position

[Redacted], a representative from the Student Union, gave a talk to those present, asking if anyone was interested in standing for the position of LGBT officer on the Equal Opportunities Committee. He stated that it is an opportunity to be a student representative on the SU Council, get involved with policy making, campaigns, cakes and sandwiches(!). If anyone is interested or has any questions, they should email the Equal Opportunities Committee on: eo@susu.org

3. Committee Positions

DT introduced the proceedings and announced that voting would take place by a show of hands. In the cases where only 1 person was standing for a position those present would have the opportunity to vote For, Abstain or Against the candidate. Each candidate was to give a brief overview of themselves and their suitability for the role for which they were standing and then to take questions from the floor.

President AW was the only candidate standing for this position. In his pitch he declared that he was the existing Male social officer on the SUSULGB committee and had good organisational skills. He was given a number of questions from the floor which included his leadership experience. AW revealed that he has worked as a till supervisor at Ann Summers and has been a 'play leader' for 120 x 5-12 year-olds. He also mentioned that in running the committee he believed that the best approach was not to 'lead' but to get on with everyone; which he does with the current committee.

No questions were asked by the floor, however JS kindly added a comment that under NH's secretarial role, the minutes were consistently produced on time.
