Monday 1<sup>st</sup> October 2007  
7pm - The Hobbit

## ATTENDANCE

### Committee Members Present:

KW (Vice President)  
DR (Treasurer)  
GM (Women's Welfare Officer)  
NH (Secretary's assistant)  
TS (Male Social Officer)  
AM (Technical Officer)  
DM (Men's Welfare Officer)

The Meeting commenced @ 7.00 pm

### 1. Previous Minutes

The minutes from the previous meeting were distributed by NH and were accepted by those present.

### 2. Administration

The university is expecting more undergraduates who are under 18. All clubs and societies have to be aware which of their members are under 18 in order to target promotions etc at them appropriately.

The Clubs and Societies pigeon holes will be moving adjacent to the activities room as the post is being disturbed when large number of students are swarming past the pigeon holes in their current location.

Health and Safety forms are changing and will need to be updated.

### 3. Financials

DR has collected around £30 cash although this is due to be paid to Andrea. The Students Union will allocate us £100 to spend this year. We have around £47 in our Barclays bank account. DR will need to visit the bank with NH to change over ownership of the account once a new president has been identified.

#### 4. Bunfight

This takes place in the Jubilee Sports Centre on Wednesday 3<sup>rd</sup> October from 10am – 3pm. Set-up can be carried out in advance from 4:30pm on Tuesday and 9am Wednesday. We need a rainbow flag and GM kindly offered to lend us hers. KW will produce sign-up sheets (including provision for ticking if the person signing up is under 18) and email them to DM so that they can be printed in preparation for the bunfight. DM will obtain further leaflets, condoms and lube from the GCHS tomorrow and bring them at 9am on Wednesday. NH already has some condoms and lube from last year as well as material supplied by Stonewall. He will bring these at 9am on Wednesday. DM will produce some banners to display on the stand. AM will produce an A6 flyer detailing our contact details on one side and the first social on the other, to hand out at the bunfight. We will attempt to get them mass-produced by the media centre. If they cannot be produced AM will email the committee with them so that everyone can print a few and bring to the bunfight. NH will bring a guillotine to facilitate separating the flyers if need be. TS has a big silver bowl that he will bring on Wednesday to fill with condoms and lube. DM will try and ‘blag’ some display stands for use on the day unless anyone can come up with some before hand. Those of us who have committee T-shirts will wear them to the bunfight.

The ‘rota’ for the bunfight will be as follows:

9am – 12:30pm: TS, NH, DM and GM  
12:30pm – 3:30pm: KW, DR and AM

#### 5. EGM

We will hold an Extraordinary General Meeting on Monday 8<sup>th</sup> December at 7pm in the Nuffield Theatre to elect a new president and female social secretary. Remaining unfilled committee positions that are not so critical to the society may be filled at a TGM at a later date (to be decided by the new president). AM will create a Facebook event and invite all existing SUSULGB members tonight (1<sup>st</sup> October), so that the required week’s notice for an EGM is satisfied. Nominations will be emailed to NH, the secretary, as he is responsible for organising the elections. In order to increase the chances of us reaching a quorum, all existing committee members should attend if possible and also encourage their friends and acquaintances in the society to attend. If no nominations for president are received, NH will nominate TS for the position.

#### 6. First Social

This is scheduled for Wednesday 10<sup>th</sup> October and we hope to hold it in the Level 2 bar. Anyone who happens to be in The Stags head should speak to the bar staff to try and book it, then let us all know by email. The (new) president will welcome everyone and it was agreed that it would be best for all the committee to give a brief introduction covering themselves and their role on the committee. It was also agreed that we should entice people to attend by holding a ‘free’ raffle for a bottle of vodka where members write their names on the reverse of the raffle ticket prior to its selection. If the member is under 18 they should also write their date of birth, and in the event that they win, they will be awarded the bottle on their 18<sup>th</sup>

birthday. Attendees will then be 'randomly' paired, with each pair consisting of a fresher and 2<sup>nd</sup> / 3<sup>rd</sup> / whatever year member and joined by the wrist using surgical bandage whereupon they will take part in a "3-armed" pub crawl around the gay venues in Southampton. TS will get hold of the bandages and work out the logistics of the pairing-up.

## 7. Welfare Talk

This will take place at 7pm on Wednesday 17<sup>th</sup> October. DM will try and book a location in the Nightingale building. The sexual health talk is expanding with section on STIs, Hygiene, Emotions and Anal sex, among others. DM has got hold of models from *Sexpression* and it was agreed that even though some sections of the talk will only be applicable to one gender, that both genders should be present throughout the talk.

## 8. Other socials

DR will look into the feasibility of re-instating periodic coffee afternoons.  
AM will remain the owner of film nights and intends to use The Nuffield Theatre for them.  
We will probably take up Price Waterhouse Coopers on their offer to host talks on homosexuality in the workplace at future events.

## 9. Any other business

As soon as we have elected a new president, we will set them up with access to a new mailing list.

KW will speak to AW to request that he sends a final message to the members if he still has access to the mailing list, advising them that they need to re-subscribe even if they have been on the list in the past.

The meeting closed at 8:37pm.
