NH welcomed those present and introduced the proceedings having been the recipient of nominations for the President and the Woman's social officer roles.

There were no nominations for Woman's social officer so this position remains unfilled and will be advertised at a future Termly General Meeting.

There was 1 nomination for the role of President of the SUSULGB and this was TS

TS presented to those present and detailed his recent history as Male social officer. He went on to present his plans and aspirations for the society and his intention to build on the work undertaken by past presidents.

Those present were asked to indicate their vote for TS by a show of hands. Everyone raised their hand and TS was unanimously appointed as the new president of the SUSULGB whereupon he reminded everyone that the first social, a 3-legged pub-crawl will take place on Wednesday at 7:30 in the Level 2 Bar.

*Congratulations, TS, on becoming president of the 2nd
largest society in the Students Union!*

The meeting closed at 7:15 pm.
