

SUSU LGB
COMMITTEE MEETING
05/11/2008
7pm-Hartlet Library

PRESENT

DM - President
DW - Vice President
TW - Men's Social
MPP - Diversity Officer

APOLOGIES:

AM - Treasurer

The meeting commenced at 7.05pm

1. Correspondance

MPP had been in contact with the London hotel regarding their events for World Aids Day at the beginning of December. MPP advised Sunday is the best night in this weekend long entertainment. It was decided that we shall not visit the London as an official social during this period, but advertise it on our event listings so interested gays and lesbians can go.

2. Upcoming Socials

TW is organising the upcoming quiz night on Wednesday 12th November, and is confident the event is sufficiently organised to go ahead without any difficulties. Discussion was made about what to do on the inter LGB event at the end of November. DM insisted TW must decide this, and must e-mail the committee within the next two days the details of the event, so we can pass this on to interested unis. Discussion was then focused on the upcoming TGM. DM requested all committee members create a powerpoint slide to discuss what they have done so far this term.

3. Any other Business

DW has completed the societies health and safety required training, and the society is now up to date with SUSU's requirements and hence will not be fined for failure to complete the health and safety training.

THE MEETING CLOSED AT 7.55PM
