The outgoing committee begin to outline what they have done over the last year as part of the committee.

EKC – comments that they have ensure that each committee meeting have been minuted over the year.

KL has kept track of finances and provided a supportive role to other committee members when needed.

IA comments they whilst they also helped out other committee members, that they also ran their own projects over the year.

AB and LLG as welfare members supported members over the last academic year and signposted them in the right direction, with LLG also helping to expand events including coffee afternoons.

CP has run and organised events and commented their positive event of the year for them was the ‘Glitter Party’ run with RAG.

AL has ensured that the technical, online aspect of the society remained running and working.

EA was unable to attend but has ensured that social media has reflected awareness.

TG has been an engagement officer over the last year and helped support the committee.

SB has helped out where he can.

KG gave their thanks to the current committee and highlighted their proud moments from the year.

How election worked:

Normally a real-life AGM would have been held, however due to global events society AGMs have had to move online.

For the AGM, there was a nomination period from the 6th to the 15th of May and was done via

submitting a manifesto. A voting period of Monday and Tuesday this week and voted via Microsoft forms as recommended. When voting you were able to rank in order RON if first choice voids and mandates the role be reopened.

The 2019/2020 committee has stood down from post.
