Upcoming EGM

- Upcoming EGM is still being planned. As the current constitution states committee should give a week notice. However, committee are planning on giving a 2 week notice as there a few positions to fill. Although we are missing a specialised events officer role, KR has been taking on the responsibilities for events and socials and therefore it may not be necessary to fill this position.
- Questions for candidates should be via university affiliated Microsoft Forms to protect committee and candidates from potential harmful submissions.
- Current positions that need filling are Welfare Officer, Outreach Officer and potentially Media Officer & Events Officer if this is necessary.

RockSoc Collab

- Current communication is between KR, GI & Rocksoc committee members for a potential collaborative social between the societies.
- While an ideal social would be held in Hobbit, committee have instead suggested Shooting Star due to accessibility issues with the former establishment. Although this may deter some focus from RockSoc, accessibility must be prioritised for members who may not be able to use the stairs. Lack of step free access to the garden and bathrooms is not something we can compromise on.

SUSU LGBTQ+ SOCIETY

- Previous suggestion of a 'nature walk' would be better facilitated with the Wildlife Society which committee may organise in future.

Board in the City Event

- Based on the current availability of interest participants the Board in the City the event will be held on the 14th of November at 7.30pm. Announcement for the event and sign-up form should be sent out by the 1st of November.
- Booking will be formally made on the 7th of November.

Website & SUSU Page
